RESPITE CARE MINISTRY

St. Peter's created a Respite Care Ministry in 2000 to identify and assess the needs of those who could use time away from care giving responsibilities. An in home assessment helps the team determine if their group can appropriately serve the needs that are identified.

Respite Care teams do not administer medication, provide nursing or personal care or do household tasks. Typically, Respite Care arranges for a team member to visit with a homebound loved one on a regular basis. Respite Care ministers stay with the homebound person and provide safety, conversation and/or presence. Time away or time off is provided for the usual caregiver to benefit from a period of relief. Interested persons can volunteer for this compassionate ministry. Everyone receives training, either through the Respite Care team itself or through other agencies.

Respite Care is a ministry of St. Peter Catholic Church. Team members enter into this service with a true desire to serve God through serving others. The team meets monthly for prayer, discussion, in service and up-dates on assignments.

To join or inquire about using the services of this ministry, please call Don Gostomski (249-8250), Ann Longual (241-3251) or the Parish Office (249-6652). ❖

Farm Addition

Have you seen the rooster on the windmill? It is there through the kindness of Dick Madigan and the artistry of Don Esser, a metal sculptor, from Steelwool Studio, email address goldenhammer@tds.net. Our 7th graders have been busy discussing Super Heroes in the Catholic Church. With the help of teachers Kim Gullickson, Greg Gottschalk, Sharon Dolphin, Mary Anderson, Angela Dombrowicki and quilter Marsha each student designed an 8" x 8" square for the quilt. Marsha is assembling the quilt and the students will add the final touches. The colorful and beautiful quilt will hang in the church lobby when finished. ❖

Church Night at The Buck's Game

Middle school students, parents, teachers and staff joined other Madison area Catholic churches Saturday, November 15 for the Milwaukee Bucks vs Boston Celtics basketball game. We saw an exciting game with the Buck's being electrified in the 4th quarter and tying the game for over time, but the Celtics pulled it off in the end. ❖
